Buffet Food

Frosty Valley provides guests choosing a buffet food package with food based on the guaranteed guest count for each event. This food remains the property of Frosty Valley, regardless of the actual vs. guaranteed guest count for each event. *All food package pricing is subject to change prior to booking and market increases up to 6% once booked.*

Plated Meals and Leftovers

Plated meals require place cards indicating the entrée selection for each guest, and a list of tables with the # of each entrée needed at each table. (*i.e Table 1—4 chicken, 2 beef and 2 fish*) The clients pre-select the sides to the entrée items. The guests cannot choose their own. The breakdown of the plated meals is due to the Sales and Events Manager 2 weeks prior to event. *All food package pricing is subject to market prices up to 6%.*

Food safety practices require that perishable food maintain proper holding temperatures if not consumed immediately. Frosty Valley provides the highest standards of food safety to our dining guests, as such, no leftovers will be boxed to go at any point during a function.
