# Plan your Golf Tournament

## Step 1. Set Your Budget

Setting a budget will assist you in determining how much money you would like to raise, how much to charge each player. A budget will help determine your sponsorship packages, tee gifts, prizes, and any donations to help offset costs.

## Step 2. Contact Frosty Valley

Contact Jenni Weigle at [jenni@frosty-valley.com](mailto:jenni@frosty-valley.com) or 570-275-4000 ext. 2003 to determine available dates and times for your tournament. Jenni will confirm the availability of The Golf Course and The Iron Room for your tournament and awards banquet. Once your date has been selected, Jenni will provide you with an outing contract and collect your \$150 food & beverage deposit. This deposit will be applied to your final invoice for food & beverage.

## Step 3. Coordinate Golf Details

Once your date is confirmed, the golf department will connect with you to determine your preferred tournament format and contests. The Director of Golf, will be your primary contact point for any golf-related questions and details for your tournament (570-275-4700 ext 2008). Three weeks prior to your tournament you will need to provide: your full list of players, by foursomes and alphabetical, to ensure that names are put on carts, scorecards are made, and scoreboards can be prepared. If your tournament has more than 112 players, additional carts will need to be secured based on availability prior to your tournament for an additional fee. The maximum field that can be accommodated is 112 players.

## Step 4. Determine Food & Beverage Details

Food and beverage selections are due to Jenni 4 weeks prior to your tournament. An estimated head count, including volunteers, is requested 4 weeks prior to your tournament, and final head count due 14 days prior to your tournament.
